

More information from "Little Learners 1.2.3"

We have up to 130 places available at "Little Learners 1.2.3" and currently we have just a few places still on offer. As you know we have quite a quick turn over with some parents returning to work and older children joining more formal education at nurseries and pre-schools. This means we seldom have to keep families waiting for places. It will be possible to add more groups to our week if we reach a need to hold a waiting list. At times parents ask to change groups, this happens for a variety of different reasons. We are very happy for families to request a move just as long as we have space available elsewhere. If you are interested in a change, for whatever reason please ask. We can then offer you a place in another group to better suit your needs.

2004 was a most successful year for "Little Learners 1.2.3"

It included a book and toy sale, many different events in the community including the Bucks County Show. Each of these events will be revisited this year. We will also be planning an annual picnic during the summer holidays.

I made myself a snowball,
As perfect as could be,
I thought I'd keep it as a pet,
And let it sleep with me.
I made it some pyjamas,
And a pillow for its head,
Then last night it ran away,
But first ... it wet the bed.

"Hello Everyone and a Happy New Year"

Now we are 3 years old our 4th year is showing signs of being even busier.

We celebrated our 3rd anniversary on Friday 7th January at the Alfred Rose Community Centre 2005. Many families attended and enjoyed the afternoon. Mr Marvel entertained and very good he was, holding the attention of the majority.

Many thanks to those that helped who say they also enjoyed the party.

We are now fully established in the new venue at the Elmhurst Infant School, where we currently run 9 groups over 4 days Monday to Thursday. We do have just a few places left to fill. In Buckingham we run 3 groups each Friday, and currently do have some places available.

Joan and Ken are pleased to announce that Kim has joined our team, she is helping us on a Wednesday and hopefully will become a permanent member of staff in the spring. Kim is delighted with the new experience and looks forward to the challenge. Kim is already keen to develop some of her own ideas for activities for the children.
