Little Learners 1.2.3

Spring/Summer 2006

The best thing you can give your child is time!

• NEWS & INFORMATION •

Spring is in the air ... and summer's on the way!!

Changes ahead and hopefully "Spring". We have a busy term ahead at "Little Learners 1.2.3". Following much time form filling we have secured a grant of £5,000 from the Lottery "Awards For All". We are now in a position to have the necessary changes made to the garden. The builders will soon be on site to install a new door and lay some paving slabs. Now we can look forward to the summer play schemes knowing we can utilise the outside space.

“What’s New”

“PLAY SCHEMES”

This year we will be able to offer more places. Having the outside play area will ensure that we offer more activities. We have some surprises and plan to include some new ideas. If you would like to join our play schemes we will offer you the opportunity at a later date to register - watch out for the application form.

These groups will be offered to families with children under 10. The groups will run for 3 weeks during August on a Tuesday and Wednesday 10.00 am - 12.00 noon. Family and friends are also welcome.

“A SIBLING GROUP”

This is a pilot scheme to run from an existing group, to then develop its own identity. Currently running each Tuesday 11.00 am - 12.15 pm. The group will run until the summer holidays and then if successful continue with its new identity i.e. only siblings. The group will be offered to families with children of different ages, providing the requested slot for parents who wish to attend with more than one child. The charge for this service will be the same as that for twins, full price for first child and 1/2 price for all others. This group is to only be offered on a Tuesday at 11.00am.

Most of all the other beautiful things in life come by twos and threes, by dozens and hundreds. Plenty of roses, stars, sunsets, rainbows, brothers and sisters, aunts, uncles and cousins.

But only one Mother in the whole wide world.

Love had a strange way of multiplying. Doubling. Trebling itself, so that, as each child arrived, there was always more than enough to go around.
